Colour finish: Standard colours from the Zehnder colour chart including matt white finish are priced at: RAL 9016 + 25%.
Colour finish and non-stock products delivery: 3–5 weeks.

Open Window detection

The Integral control unit recognises if a window has been opened for an extended period and switches the radiator off. Once the window is closed, the radiator returns to normal operation.

- Temperature changes are quickly recognised via the external temperature sensor.
- The integral thermostat proactively reacts to sensor information; delivering the perfect indoor climate.
- Intuitive radiator which automatically switches off if a window is open for an extended period.
- An intelligent heating solution which lowers costs and energy consumption.

H = height
W = width
All dimensions in mm

The Electric **Roda** range of efficient decorative radiators, are available in horizontal or vertical versions, perfect for all living areas.
